ASSUMPTION OF RISK & LIABILITY RELEASE

I (**Sign and date below**), certify that I am the legal owner of the firearm(s) being presented for technical service. I have voluntarily requested Gadsden Arms LLC to perform technical service on my firearm(s) which may include but is not limited to: Cerakote (ceramic coating), laser engraving, gunsmithing activities, cleaning, inspection, and/or other modifications. I am aware that any modifications to my firearm(s) may void the manufacturer's warranty as well as affect the intended operation of the firearm(s). I am voluntarily requesting that these activities take place with the full knowledge of the dangers involved, which include mechanical failure, damage to personal/other property, bodily injury, and death. I fully agree to release Gadsden Arms LLC and any of its affiliated members, owners, employees, or representatives from any and all liability, claims, or damages of any kind, that may arise regarding any of my firearm(s) and the use of, even if caused by negligence of Gadsden Arms LLC or any of its affiliated personnel.

NEW YORK STATE DISGUISED GUN LAW

I certify that I have no intention of having my firearm modified or altered in any way to appear as a "Disguised gun". As per NY Penal § 265, "Disguised gun" means any weapon or device capable of being concealed on the person from which a shot can be discharged through the energy of an explosive and is designed and intended to appear to be something other than a gun. Gadsden Arms LLC cannot and will not provide this service, as it is now illegal in the state of New York. Any modifications that I am requesting do not fall into this category.

TIMELY PICK UP POLICY

Unless other arrangements are made, in writing, any firearms left in the shop for more than 30 days after notification of completion will be subject to a fee of \$25/each per month. After 6 months, the items will be considered "abandoned property" and will be sold to cover expenses.
